

The Souvenir Card JOURNAL

SECOND QUARTER 1996
VOLUME 16 NUMBER 2

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

COVER: Have you had your milk today? This image is an enlargement of a detail from a souvenir card. I will give a prize (or at least recognition in the Journal) to the first member who can identify it.

◇

The "in-box" continues to look bare. Surely some of you must have something to say or a favorite card? What about a favorite card with an illustration an a short (or long!) note as to why it's your favorite? There is another issue of items related to souvenir cards and intaglios. Comments on security printers' collateral items may be of interest. Don't think that "your specialty" is only of interest to you. You may be surprised! What about questions that you may have regarding cards. No one is an expert in all phases of this hobby and many different items continue to surface.

◇

A repeat from before, most recently the last issue: A reminder. I am trying to produce this Journal—with complete, accurate AND current information—in a TIMELY manner which I can only due with your help. I have other obligations in my life, BUT I try to put an issue together (yes, mistakes and all!) to send to the printer by the first of the last month of the quarter—which, allowing time for printing and mailing, would put the issue in your hands by the end of the quarter for which it is intended. Therefore, ideally, I would have the input for that issue by the beginning of the second month of the quarter—thereby allowing time to get it together. Consequently, I appeal to you for HELP in reaching that goal!

◇

In a similar vein, I would like to ask all advertisers—members and dealers—to review their ads and update them as appropriate. I would suspect that after seeing the same ad several times that some viewers might get "turned off," thus defeating their basic purpose!

(Both of the above two paragraphs contain pleas that I have made before, but which, unfortunately, remain unheeded!)

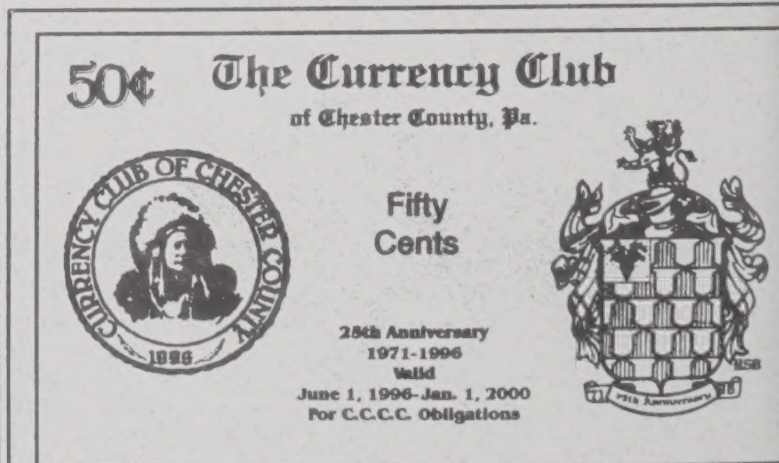

◇

This is the last column I write and print before I send the issue to the printer in Dover, DE. I am sitting writing this on Sunday, 9 June, well beyond my intended goal (see above comment) and in lieu of going to CAPEX'96 which I had hoped to attend and which opened yesterday. Business and school prevented the latter. Lack of timely input prevented the former. This issue will be mailed to the printer tomorrow, after my incoming mail is delivered, with or without a message from our President. I have no further news on Chapter activities to report and probably by the time the issue is printed and mailed some of the shows and events described herein will be history. Sorry, Charlie!

◇

Illustrated below are two of the CCCC's "fractional currency" items as received. That with the club's seal (Indian) is described as "The Universal Back." I don't know the actual size or any other details of the finished product other than what appears on page 3 of this issue.

It is hard to believe that half of the year will have passed by the time you read this article. We just finished the dues collection for 1996. Those of you who renew your dues promptly are probably not aware that we send a postcard and a subsequent follow-up letter to all members from 1995 who do not renew their dues. We value every member and aggressively pursue their renewals. Consequently we do not complete this process until mid-year. We have successfully maintained our membership base but we have suffered some losses from non-renewal because of economic, health and age reasons. At the current time we can continue to provide our four journals and the annual souvenir card. I must again appeal to our membership to recruit new members. We do not want to think about any reduction in services or raising of dues.

◇

Shortly you should be receiving this year's annual card. It was issued 9 June at the CAPEX show in Toronto. Once again we must thank Michael Bean for printing and distributing a beautiful card. We would also like to thank the Great Lakes Bank Note Company who paid the printing costs for this card. Their contribution is greatly appreciated and is a boost to our cash flow.

After attending the CAPEX show, I am scheduled to attend the International Paper Money Show in Memphis as well as the ANA show in Denver. Please reward me and the other board members by visiting us at our scheduled meeting and at the society table. Your active participation and enjoyment of the hobby is our reward. I was happy to hear that Washington Chapter One had a well attended meeting in conjunction with the NAEPEX stamp show. They issued their show card as well as a new card with a nautical theme. These cards are available from the Washington Chapter and purchase information is contained in the excellent list of current cards that Bill Kriebel maintains.

◇

Congratulations to Richard Brinton whose article and survey request [see last issue of this journal] for the BEP to print a new specimen book was just published in the *Bank Note Reporter*. It will be interesting to see if Richard gets a broader response from non-members of the Society. I encourage him to write a follow-up for us. I also request that you write an article for the journal. It can be short and it can be personal like "My Greatest Discovery" or "Best Show Experience." We want to hear from the silent majority.

◇

One additional item. The BEP is planning on issuing an envelope with an intaglio eagle at the CAPEX show. These demonstration pieces will be sold to show attendees. At the time of this writing the Bureau also intends to make these available by mail. Keep your eye open for the details.

The next question is do we list this as a "B" item or give it an "FB" number. Remember this will be a BEP printed souvenir with general distribution. We look forward to your comments and suggestions.

◇

The philatelic magazine *Stamps*, founded by H.L. Lindquist in 1937 has ceased production and it has been absorbed by the publisher of *Meekel's*. This reduces the weekly philatelic publications to three, *Linn's*, *Stamp Collector*, and whatever the new combined publication will be called. *Stamp Collector* was acquired by the publisher of *Bank Note Reporter*. Also, but in apparent good health, is the monthly *Global Stamp News*.

WANTED! ARTICLES, ILLUSTRATIONS, NEWS, INFORMATION

Share your collecting interests with fellow collectors. Write an article for publication in this Journal. Send legible copy and clear (unfolded, please) photocopies or originals—they will be returned—of unusual items for reproduction. Please include your SCCS Membership Number and any SCCS Numbers (if known) of the material you are writing about. Thank you.

William Victor Kriebel, Editor SCJ, 1923 Manning Street, Philadelphia, PA 19103

Ed Kintop and Lee Quast made it to CSNS at the end of April and Ed took some photos which are included elsewhere in this issue. If any of you have pictures from your SC travels, please send them along for possible publication.

◇

Ken Barr's input (see this column, last issue) has been added to the card listing in the back of this issue. Harry Corrigan sent along photocopies of the "money" cards produced by ABNCo in "limited editions" for 1995 and 1996, and I have reproduced them elsewhere in this issue. The "philatelic" cards are all of the same design with the exception of the color of the image and the name of the show in the lower lefthand corner (see SCJ 15:4, p. 40). Ken has suggested leaving the SCCS numbers as a "set" for the philatelic items and another for the numismatic items as he felt many collectors probably collect them that way. Personally, I collect cards in chronological order, but I see his point especially since they were released in "sets." I also appreciate that, as a dealer, Ken might find it easier to catalog. I would appreciate membership input as YOUR preferred method of my listing, in the meantime I have listed them chronologically but with the "set" numbers initially assigned to the batches still in (). I have not seen the "four-up" sheet/card so I don't know if it should be in the listing or not. Please advise.

◇

I have received a copy of *Cherrypicker' News* which provides "Timely Information for Die Variety Enthusiasts." This is a coin-related publication. If interested, contact the publisher at P.O. Box 15487, Savannah, GA 31416-2187. Six bi-monthly issues are \$19.50.

In a similar vein, the *Gallery Mint Report* is "Dedicated to the Preservation and Advancement of the Numismatic Arts," and appears "every so often or whenever we get time to get to it." It is free and is produced by the Gallery Mint Museum, P.O. Box 706, Eureka Springs, AR 72632.

◇

As we get moved onto the "Information Highway," Greg Alexander is exploring whether the BEP or ABNCo have "web sites." If anyone has any information regarding how the "web" does or might relate to our collecting interests, please write.

◇

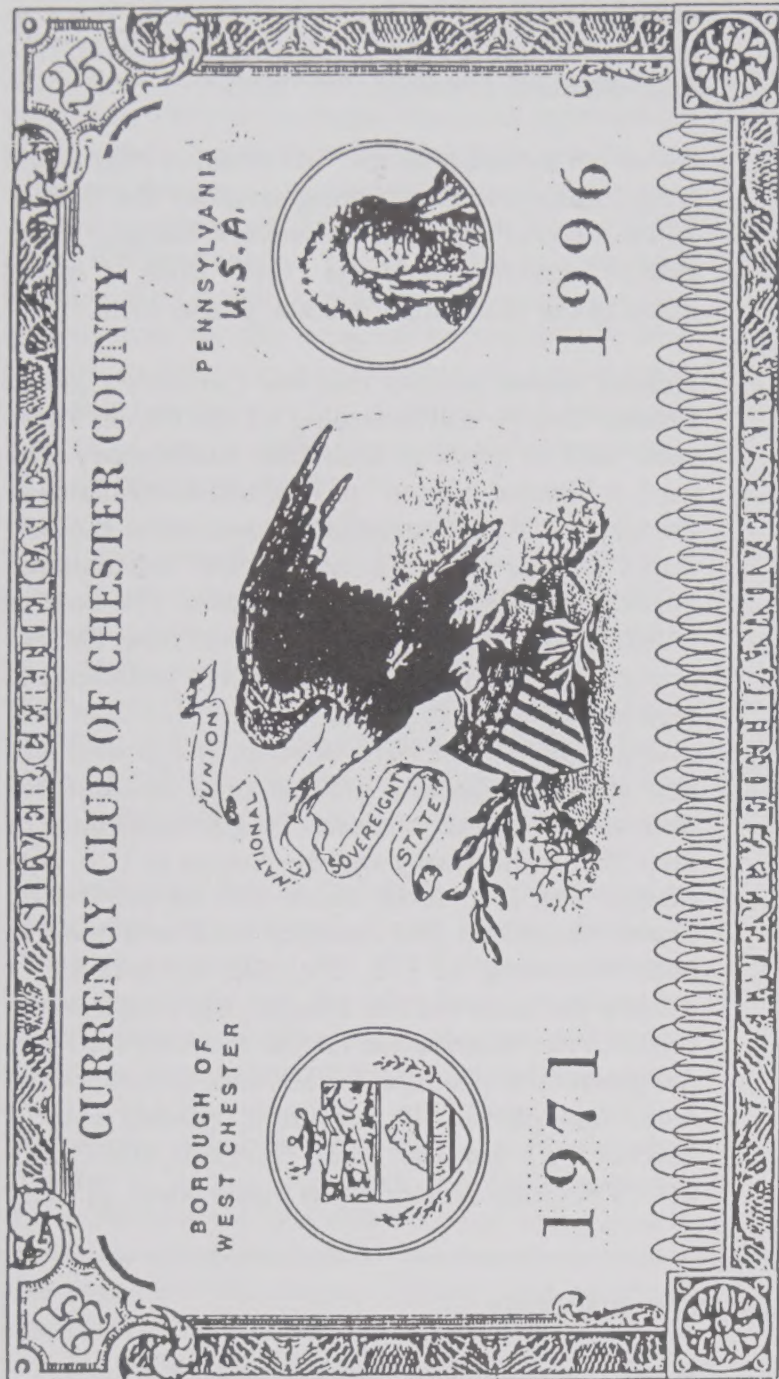

Nelson Aspen advises that the Currency Club of Chester County will be issuing a Plate Printer's souvenir card in honor of their 25th Anniversary. The card, a "limited edition" of 750, will be available at the Garden State Numismatic Association (GSNA) show, Pennsauken, NJ, and at the International Paper Money Show (IPMS), Memphis, TN, both of which fall on the same weekend, 21-23 June. He sent along a "mock-up" of the card which is difficult to reproduce (see next page). The club has also produced "a negotiable issue of scrip. The limited edition of scrip includes a multi-colored series of five different denomination notes. This, in celebration of their 25th Anniversary and the change in U. S. note design. The 1996 scrip issues will be printed on Crane mascerated [sic] currency stock with the five notes including 12 1/2, 25¢, 50¢, \$2. and \$5." I assume the notes are not intaglio, but I assume the card is. Price information for the souvenir card was not given. The deadline for advance orders for the notes has passed. If interested, contact Harold Beecher, P.O. Box 456, Paoli, PA 19301, (FAX) 610-644-1309. (Scrip illustrated on inside cover, p. C2.)

BEP SOUVENIR CARDS WANTED

I am building an inventory of the cards listed below. The prices listed are what I have been paying for nice mint cards offered to me, but please write or call first to confirm that I still need the cards you wish to sell. Buy-sell list for SAE.

The Currency Club of Chester County proudly issues this limited edition souvenir card to commemorate their twenty-fifth anniversary. The official founding date of the Currency Club is recognized as the 21st of October, 1971, at which time the Constitution and By-Laws were adopted. The Club's

objectives are to encourage, promote and dispense numismatic knowledge with special attention to paper money and to cultivate fraternal relations among all interested in numismatics, in Chester County and throughout the world.

THE KENT AND RAVENNA OVERPRINT

[In the last issue of this Journal (p. 6) a brief article was reprinted entitled "The Mysteries of the Kent and Ravenna Truck Sheet." Herb advises me that he believes the article was written by Russell Bell. He provides some additional information. Ed.]

FOREWARD

The Kent and Ravenna stamp clubs held their third joint philatelic open house in Kent, OH, on 9-10 November 1940. One of the souvenirs created for this event was the Philatelic Truck sheet suitably overprinted by the open house organizers (Fig. 1, right). The truck sheets were no doubt obtained during the recent visits of the truck to Kent, Ravenna and other nearby Ohio cities.

The idea for the overprint was probably inspired by a similar overprint done for the SPA Convention held in nearby Cleveland a few months earlier (Fig. 2, right). These Kent and Ravenna overprints are scarce, indicating that few were made or at least few were distributed. Most of the known copies seem to have come from a small cache that came on the market some forty years after the event.

These are the published facts and speculations about the Kent and Ravenna overprints. In this article further facts about the overprinted truck sheet and reasons for its relative scarcity are presented. The events leading up to the Kent and Ravenna overprints are also described. They are typical of the

activities of stamp clubs and exhibitions held in the U. S. during the 1930s and 1940s.

THE HISTORY OF THE KENT AND RAVENNA OPEN HOUSE

In 1938, the Kent Stamp Club of Kent, Ohio, and the Ravenna Stamp Club of Ravenna, Ohio, decided to hold a joint open house featuring an exhibition and bourse. Their First Annual Open House was scheduled for 12-13 November 1938, at the Hotel Kent in Kent, Ohio.

They issued a four-page invitation and prospectus (Figs. 3 & 4, next page) giving details of the program, bourse and banquet. Typical of the period, they announced the issuance of a poster stamp (Fig. 5, page 7) for sale at ten cents.

They also included an advance label with the prospectus (not suitable for copy) which depicted a Spanish stamp in black printed on a diamond-shaped red piece of paper.

A banquet costing \$1.00 was held Saturday night. The four-page menu (Figs. 6, below & 7, next page) depicts on the cover the same design as the poster stamp.

The issuance and sale of a commemorative seal [poster stamp] by a stamp club or exhibition is typical of the 1930s and 1940s. At that time, there was a significant collector interest in these "philatelic seals" and other poster stamps. Several poster stamp collectors clubs existed, one of which was headed by editor George W. Linn, of *Linn's Weekly Stamp News*.

There were several magazines devoted to these souvenirs, and several catalogs were being compiled. The philatelic weeklies of the time dutifully announced forthcoming philatelic events and often depicted their souvenir seals. They also reported on exhibition events such as banquets.

The Kent and Ravenna philatelic seal [poster stamp] for their first open house is typical of the usual format for these, namely designed in imitation of the U. S. government-issued souvenir sheets—a design in the center with details of the events around the edge. Their overprinting of a U. S. government issue (Fig. 7, above) as part of a souvenir banquet menu was also typical.

A Second Annual Philatelic Open House was held 4-5 November 1939. This time it was held in Ravenna, Ohio. Four advance labels were issued (Fig. 8, right). A souvenir philatelic seal (Fig. 9, next page) was offered for sale, this time at five cents per copy.

A four-page program (Figs. 10 & 11) was issued listing the exhibit awards and the banquet (\$1.25 this year). The "Visiting Firemen of Philately" and

"Stampettes," two philatelic social organizations, had their usual late night gathering. These two groups met at nearly every philatelic event held in the Ohio-Western Pennsylvania area during the late 1930s and 1940s.

A Third Annual Stamp Exhibition and Bourse was scheduled, this time in Kent, on 9-10 November 1940. Two advertising cards were distributed (Figs. 12 & 13). One of them depicts the same Spanish stamp as on the advance label for the 1938 event.

For their 1940 event, they issued two philatelic seals (Figs. 14 & 15), both printed in blue. The printing at the top and bottom of these seals is identical to the printing on the Philatelic Truck Sheet (Fig. 1).

Unlike their 1938 and 1939 open houses, the 1940 open house was hardly mentioned by the stamp weeklies. Only Linn's mentioned the 1940 event in a two-line report with few details. There was no follow-up. Other contemporary philatelic events were suitably reported, and the issuance of other seals was announced and sometimes illustrated.

None of the Kent and Ravenna philatelic seals for 1938 to 1940 are as commonly seen today as many of their contemporaries. In my opinion as a specialist in the area of philatelic seals, the two 1940 seals are decidedly scarce. This would indicate that not many of them were produced or they were not marketed well so very few were sold.

Nearly every philatelic seal issued in the 1930s and 1940s is common. Most copies seen today are probably remainders which came on the market after the event. Caches of early seals, often together as received from the printer, are still coming on the market.

The Catalogue of United States and Canadian Philatelic Exhibition Seals by Stanley H. Wasson and Sandy

Figs. 14 & 15. Philatelic seals from 1940.

Dolin (1946) lists the Kent and Ravenna souvenirs for 1938 to 1940 but does not list the Truck Sheet Overprint. Both the Chicago Philatelic Society and SPA overprints on the Truck Sheet are listed.

Clearly the similarity between the 1940 philatelic seals (Figs. 14 & 15) and the Truck Sheet overprint (Fig. 1) indicates that it was created as an added souvenir. It was created by using the same printed form as used on the philatelic seals, except that it was printed in red instead of blue ink. It was probably an afterthought, so the number of copies made might have been very small.

We have no knowledge of whether it was sold or given away at the show. Perhaps it was a banquet

souvenir, or only presented to the committee members. Our knowledge of its existence came from some being offered for sale by a few California dealers at prices from \$10.00 to \$25.00 in the early 1980s. It was first recorded in the unpublished lists of philatelic exhibition and society memorabilia authored by Sanford Fields and Kenneth Picklo which first appeared in the early 1980s. Subsequently, the souvenir card dealer Russell Bell obtained an unknown number and offered them at prices around \$350.00. He had one with inverted overprint which he offered at \$1,750.

There is still more to learn about the Kent and Ravenna Truck Sheet overprint. How many were made; how many showed up in California; how many did Bell have? Was it sold at the show, or given as a souvenir, or just made for a few committee members? Why didn't it wind up in the philatelic seal market with the other items?

There was no Kent and Ravenna show in 1941. Perhaps it was because of the event of war that it never occurred, or perhaps because the 1940 show, unlike the 1938 and 1939 ones, had not been a financial success. Can anyone tell us?

(I thank Mary Flanagan for her help in preparing this document.)

Editor's comment:

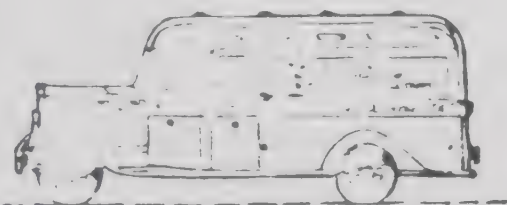

After reading this article, and then reading it again as I entered it into the computer and formatted it, several questions came to my mind. Why was knowledge of this item apparently not known until some 40 years later? Why did they "emerge" in California not Ohio? How do we know that this overprint was done in 1940? It would not be difficult in this day and age (including the 1980s) to "lift" type from a legitimate seal and add it to an otherwise common souvenir and to do it to a Philatelic Truck Sheet might make it more saleable. Certainly, given the asking prices quoted in this article, there was a profit motive.

James H. Bruns' definitive book, *The Philatelic Truck*, was copyrighted in 1982. It does not mention the sheet. Could not the "little notice" mentioned in the article in the last issue (which the author attributes to Russell Bell) be one or more of the four items included in this article (Figs. 12-15) and not, as implied in the earlier article, the overprinted Truck? It includes the "Daily Log" of the Truck which shows it visiting various cities in Ohio (but not Kent or Ravenna) between 30 June and 18 October 1940.

Caveat emptor!

Have you ever seen an admission ticket to the Bankers Building at the Centennial Exhibition? Here is what one looks like—well, actually I think it's a souvenir reprint of the ticket, not a ticket itself. Let me explain.

One of my more interesting books is *History of the Legal Tender Paper Money*, by Hon. E. G. Spaulding. (Congressman Spaulding played a major role in passing the legislation which created our paper money.) Not only is its content interesting, but so is its "hodge-podge" manufacture. It seems to be pasted together from various sources—the last 80 pages appear to be a pamphlet that has been unstapled and bound-in. That pamphlet is titled: "Address of the Hon. Elbridge Gerry Spaulding ant the Bank Officers and Bankers' Building, Centennial Grounds, Fairmount Park, Philadelphia, on the

Occasion of the Formal Opening, May 30, 1876." (It is basically a review of the history of banking.) My guess is that the pamphlet was printed after the exhibition closed, as a souvenir, perhaps, for the author to hand out. In any event, whoever bound it saw no harm in including a reprint (on light card) of the engraved admission ticket—not likely to be done if the ticket was still in use.

I believe it to be a reprint, and not a remainder, because it is the same 8.5" x 5.25" as the pages in the book. The design seems more suited for a card about 6.25" x 4". (This would be a convenient pocket size.) The title page [illustrated on the next page] also has a an intaglio print of the familiar "Signing of the Declaration" vignette.

THE SIGNING OF THE DECLARATION OF INDEPENDENCE, JULY 4, 1776

Your Editor is indebted to the author of the previous article, Harry M. Corrigan, for illustrations of the American Bank Note Souvenir Cards which appear on the following eight pages. These are cards from the 1995 and 1996 series relating to the bank note issues. I have listed them in the intaglio listing at the back of this issue. I thought the membership, myself included, who did not order the cards, might like to see what they look like. I am still interested in reproducing the philatelic versions, if any member would be kind enough to send some clear photocopies. Auctioneer Ken Barr has sent me some update information which I note in the same listing. Thank you Harry and Ken!

Currency Series Circa 1870 - 1880

Sometime after the Civil War, probably about 1870-1880, the City of Brunswick, Georgia, located on the state's Atlantic coast, asked American Bank Note Company to prepare a series of municipal bank notes.

Because of National Currency legislation adopted in the middle 1860's, state banks found it impractical to continue issuing their own bank notes. However, municipalities, like Brunswick, were not subject to many of these regulations, and were free to issue their own currency.

The Brunswick notes were to be accepted at face value for all money due the city, or if held for five years they were to be redeemable at a rate of one percent interest per year. For reasons unknown, it now appears that these notes were never issued. The note below is intaglio printed from the original 19th century steel plate held in the vaults of the American Bank Note Company.

MAIL BID AUCTION: SECOND QUARTER 1996 Ken Barr (407)

Well, the "monster" 4th Quarter 1995 sale is finally history (other than receiving a check from the USPS for a lost package) and it was quite a sale. A record of almost \$10,000 was generated in sales, resulting in almost \$1,000 to the Society treasury in commissions/donations. There were also a record number of bidders and bids, with a lot of nice material changing hands to everyone's mutual satisfaction. It was quite a job, however, so do not expect another such massive offering any time soon!

Another "normal" auction this time, with a good mix of mint and show-cancelled, numismatic and philatelic, official and private, etc. for sale. For show-cancelled afficiandos, there is a nice run of "all day" show-cancelled cards in this offering. These tend to be especially nice as the preparers generally use nice thematic stamps to enhance the appeal of the card.

Please take special note of lot #1 which will benefit both the Society and the Starfish Foundation for children with AIDS. This is the second of only two such sets produced, the first of which was sold in the 1st Quarter auction.

AUCTION BIDDING RULES

1. MAIL BID CLOSING DATE: BIDS MUST BE RECEIVED BY THE AUCTION MANAGER NO LATER THAN **AUGUST 15, 1996.**

2. Send all bids and auction correspondence to the Auction Manager: Ken Barr, P. O. Box 32541, San Jose, CA 95152. Telephone inquiries may be made until 10:00 PM Pacific time at 408-272-3247.

3. Bid by lot number only. Multiple item lots will not be broken. The earliest postmark will decide tie bids. Duplicate lots may be available; feel free to indicate if you want more than one copy of any lot(s).

4. Bid processing will be done manually, so special instructions can be given. "OR" bids ("bid \$10 on lot 101 OR 102, one lot only") are acceptable, as are "maximum expenditure" limits ("please limit total winning bids to \$100 maximum"). Feel free to bid on any lots desired with the security that your winnings will be limited to the amount specified.

5. All items will be sold to the highest bidder. Bid reductions will generally not be made unless noted

on special high-value lots.

6. Please observe a minimum bid of \$5 per lot. Some lots have higher minimums, denoted as MB \$xx in the lot description. Estimates (EV \$xx) are for information only, and have either been provided by the consignor, the current SCCS catalog, or the Auction Manager.

7. Lots will be shipped via insured U. S. Mail unless otherwise requested. Postage and insurance charges will be included in the bidder's invoice.

8. Successful bidders are to remit payment in full in U. S. funds within five days of receipt of their invoice. Late payments may disqualify the bidder from participation in future auctions.

9. Returns are acceptable within ten days of receipt of shipment. Please specify reason for return (damage, mis-attribution, etc.). Mistakes on bidder's part are not sufficient reason for return.

10. The Auction Manager reserves the right to withdraw any lot and to reject unrealistic bids.

11. A "Prices Realized" list will be available shortly after the auction. All bidders and consignors will receive copies. Others may obtain one by sending a self-addressed stamped envelope to the Auction Manager.

12. Members wishing consignment information should write to the Auction Manager for details.

STARFISH FOUNDATION PROGRESSIVE PROOF BOOKLET

1. F 1995B Starfish Foundation Progressive Proof booklet. Set of eight cards (one for each pass of printing: one offset and seven intaglio). SEMI-UNIQUE, as it is one of only two booklets so produced. Worthy of a generous bid since 50% of the proceeds go to the SCCS and the other 50% to the Starfish Foundation (tax deductible). Estimated value of \$200 - \$400 with a minimum bid of only \$100. Remember, only two of these booklets were produced, the first of which was sold in the previous auction! (Sorry, price realized not available as this listing is being prepared. Feel free to bid liberally — any winning bid over \$200 will be reduced to one increment above the underbid on this lot.)

CENTRAL STATES NUMISMATIC

The Bureau of Engraving and Printing will exhibit at the Central States Numismatic Show, at Bartle Hall, Kansas City, Missouri, 26-28 April 1996.

The Bureau's popular Billion Dollar Exhibit—sheets of historic, rare and antique currency totaling one billion dollars will be featured at the show. A technical expert will be available at the BEP sales and information booth to answer questions about the production of currency.

A souvenir card (right) will be issued. A portrait of Alexander Hamilton, American patriot and first Secretary of the Treasury, is featured on the image of a \$1,000 gold certificate. Few of these notes are known to exist.

Hamilton served on the staff of General George Washington in the Revolutionary War and helped to establish financial policy for the newly-independent United States.

The die for the \$1,000 certificate (series 1907, miscellaneous die No. 7008) was completed in January, 1908. Engravers included George U. Rose, Jr., Robert Ponickau, Robert H. Warren, Edward M. Hall, G.F.C. Smillie, and Louis K. Siggons.

The portrait of Hamilton (miscellaneous die No. 6683) was engraved by G.F.C. Smillie in 1906 based on an original work by John Trumbull. The portrait has been used for other securities and notes including the current \$10 Federal Reserve Note.

The card is part of the 1996 series featuring "The Era of Silver and Gold." This theme celebrates the time when currency was often tied directly to gold and silver values.

The Bureau will exhibit a souvenir card

featuring a 50-cent stamp of a prospector searching for gold at CAPEX'96, the World Philatelic Exhibition, in Toronto, Ontario, Canada, 8-16 June 1996 at the Metro Toronto Convention Center.

Die stamping demonstrations, depicting the craft of intaglio printing, along with the Bureau's exhibit of imperforate sheets of historic stamps will be featured at the show. A technical expert will be available to answer questions about stamp production.

THE ERA OF SILVER & GOLD

CAPEX '96
Toronto, Canada • June 1996

Based on a Frederick Remington drawing, the vignette shows a prospector, pick in hand, and his pack of mules struggling over rough ground in the mountains of the West.

The stamp was issued in 1898 to help celebrate the Trans-Mississippi and International Exposition in Omaha. Engravers of the stamp (P.O. die No. 284) were G.F.C. Smillie, Douglas S. Ronaldson, and Marcus Baldwin. Raymond Ostrander Smith was the designer.

Originally, the 1898 series was intended to be print-

ed as two-color stamps, but when the Spanish-American War broke out, only one color was used because that process was less time consuming. At the time, the series—which also included \$1 and \$2 stamps—was considered expensive and unnecessary by some collectors and dealers who protested to the Postmaster-General.

[The original Frederick Remington (1861-1909) drawing was titled *The Gold Bug* and was published in a 1897 portfolio entitled *Drawings*. Ed.]

CHAPTER ONE CARDS ILLUSTRATED

William Kriebel (27)

Illustrated on the following three pages are the first three cards produced by SCCS Chapter One. The first is their SPRINGPEX'96 card (S 1996 B) issued in connection with their "swap-meet" held in Springfield, VA. This is followed by the "generic" card (S 1996 C) and the SWBCS card (S 1996 D) issued in Baltimore.

The intaglio cards are quite handsome: the Capitol

(1831) is in black with a raised border (not visible here), the Chapter logo and the "seal" at right are in blue, the SPRINGPEX and SWBCS lettering is in red.

The Chapter met at NAPEX, 31 May-2 June and issued both a meeting card (S 1996 E) and a Hand-pulled Proof, "Ship by the Sea" (S 1996 F). I have not, as yet, seen either of these items. >>>>>>

[Illustrated here are pictures taken by Ed Kintop at the Central States Numismatic Society show held in Kansas City, MO, 26-28 April 1996. Ed and Lee Quast represented the SCCS with a table between the BEP and the USPS. The BEP had a new exhibit backdrop at the show, consisting of two illuminated panels (Figs. 1 and 2). The BEP show staffers (Fig. 3) were (left to right) Kevin Matthews, Mary Halsall, Melodia Phillips, and Bob Bernhard. Ed found time to have his own picture taken with Mary at the booth (Fig. 4). He also sent along a show-cancelled copy of the souvenir card (next page). Ed.]
